

## Nokia Music Store opens in Poland

2009-06-26

Nokia Music Store has been launched in Poland as the first country in Central-Eastern Europe. The online store offers over 4.5 million tracks (about 400 000 CDs) by Polish and international artists representing all music genres.

A single track costs PLN 3.49 and an entire album costs PLN 34.9. Among Music.nokia.pl offers is Moby's latest album and David Guetta's new single, before they go on release in CD form. (JB)
